1. WHAT YOU ARE AGREEING TO

I agree to receive dispatch and delivery text messages from **Musket Advisors LoadLink** on behalf of **[your company]** at the mobile number I provide below. Messages include load assignments and dispatch instructions, a secure link to record a delivery, confirmation that a delivery record was filed, and replies from my dispatch office. **Message frequency varies with dispatch activity. Message and data rates may apply. Reply STOP to cancel at any time; reply HELP for help.** Consent is not a condition of employment and I may withdraw it at any time. Terms: www.musketllc.com/sms-terms. Privacy: www.musketllc.com/privacy. No mobile information will be shared with third parties or affiliates for marketing or promotional purposes.

2. YOUR CONSENT

☐ **Yes** — I consent to receive LoadLink dispatch and delivery text messages at the mobile number below.

☐ **No** — I do not consent. My dispatch office will reach me another way.

3. OFFICE USE — RECORDED IN LOADLINK

The dispatcher enters the mobile number and records this consent in LoadLink under their own name (Roster → Texting consent → *Written — signed onboarding form*). LoadLink stores the date, time and method of consent, keeps this form with the driver's record, and texts one enrollment confirmation to the driver before any dispatch message. A driver who replies STOP is removed immediately; only the driver's own START re-enrolls after a STOP.
